

Croydon Camera Club Newsletter – 7 September 2019

Chairman's Viewpoint

This is my first newsletter since being elected as Chairman. Many of you were at the AGM and will have heard my remarks, but I have also placed a copy of my comments on the forum. Link below.

The club will be 130 years old next year. Its continuing existence a testament to those members who have volunteered their services it over the decades. That includes the current Council and those who stood down at the AGM, all of whom I would like to thank for their contributions.

At the next Council meeting on 1 October we shall be discussing how to celebrate our anniversary. If you have any ideas about how we should do this or wish to help with the organisation, let me or any other member of Council know.

An innovation for this season will be the introduction of a short survey sent via e-mail after each of our meetings. While completing them is entirely voluntary, I hope you will do so as it will help ensure that our events are fulfilling people's needs.

To conclude this section, I should like to welcome a new member, Solomon Pesala.

Subscriptions were due on 1 September. Thank you to everyone who has renewed. Remember, you need to be a paid up member to enter our competitions.

Image Critique - 11 September 2019

We are fortunate to have the services of Rosemary Wilman HonFRPS, an extremely experienced judge, to comment on our pictures. It is an excellent opportunity to receive informal feedback on your photos ahead of this season's competitions.

The evening will be digital only and you may submit up to three images via PhotoEntry by midnight, **Monday 9 September**.

Bamber Trophy – 18 September 2019

Entry is open for the Bamber Trophy, which is for monochrome prints only. Digital versions should be submitted in the usual way via PhotoEntry by midnight, **Monday 16 September**.
