

Croydon Camera Club Newsletter – 5 October 2019

Chairman's Viewpoint

We had a busy evening at our last meeting when there were 75 entries for the first round of our DPI competition. We had a diverse range of images with our members showing some excellent work. Eddie Hyde was our judge and he managed to give a concise assessment of everything put in front of him. I am sure that everyone present will have learnt something from his critique.

Congratulations to those members who scored a maximum 10 marks in their respective classes.

- Caje Moniz, Stan Simmons and Jeff Winchurch (Standard class)
- Iggy Tavares and Sandra Weeks (Intermediate class)
- Bett Atherton, who had two top scoring shots, and Chris Davis (Advanced Class)

This week, we extend a very warm welcome to Guy Berridge who has just joined us.

Club Matters

Practical Evening – 9 October 2019

This is the first of our practical evenings when we will examine aspects of post processing. The session is very much orientated towards those aspects about which our members have questions. To find out more, head over to the dedicated topic on our club's forum.

Club Outing – Saturday, 19 October 2019

Our club will be visiting the area around Chichester which provides a lot of opportunities for photography. Further details are available on our forum, where you can sign up to go. Numbers will be limited by however many members are willing to drive, so registering is important.

Informal Image Critique

The image critique session with Rosemary Wilman at the start of the season was very popular and our club will organise a similar event at a future date. Members have said they would welcome the opportunity to get together informally outside of the weekly meetings to discuss their images with one another. We need sufficient numbers to make such an event viable and there is a thread on our forum where you can express your interest.
