

Croydon CC Newsletter – 13 September 2020

Chairman's Viewpoint

Last week's image critique went well, with a good selection of images for our judge (Jay Charnock) to review. Jay was a star and willingly volunteered to go past the allotted end of the meeting to provide her insightful and helpful commentary for all the work submitted.

We had a short and informal gathering at Shirley Methodist Church this weekend. A few of us met up to receive medals won last season in the DPI competition and collect prints being returned by the SLF following the conclusion of its competitions from last season. It was good to see a few familiar faces. Thanks to Tom for organising the event.

Club Matters

DPI Competition Round 1 – 16 September 2020

The first of our regular DPI competitions for the season when we welcome Ian Brash back to the club to judge our images.

Centenary Trophy – 23 September 2020

Unavoidably postponed from last season, we are holding our annual inter-club competition. The format will be different this year as the eight images from each of the competing will all be DPIs. Usually it is an equal mix of prints and DPIs but present circumstances mean that will not be possible. The judge will be Stephen Carroll.
